

French classes

(Non-exhaustive list)

Beginner 1

The goal of the Beginner 1 course is to enable the student to understand and use simple expressions to meet practical everyday needs.

The student will learn about:

- the French alphabet including accented letters
- Tu/Vous
- the verbs “être” and “avoir” (affirmative and negative forms)
- indicative present tense: verbs in the first group and irregular verbs (“aller”, “faire”)
- imperative mood and near future tense
- gender of words and numbers
- adjectives: possessives, descriptive words (example colours), interrogative words
- adverbs: of place
- prepositions: before names of countries, cities, means of transportation
- negation and quantity: “ne pas”, “beaucoup”, “un peu”
- numbers, months of the year, seasons, days of the week, holidays, weather
