Intermediate 2

The goal of the Intermediate 2 course is to enable the student to deal with day-to-day situations or non-repetitive tasks in natural and non-stereotypical French.

The student will learn:

- complex sentences using verbs: present conditional, past conditional, passive voice, introduction to the present subjunctive and the pluperfect
- complex sentences: purpose, cause and effect, opposition, concession, restriction, complex relative pronouns
- giving advice
- talking about your education, CV, experience
- expressing hypothetical ideas
- putting the conversation on another track
- reading an article and talking about it
