Advanced

The advanced course enables the student to use French with ease, in various situations that call for mastery of linguistic structures. This course is intended to correct syntactical errors.

The student will learn:

- verb usage: present conditional, past conditional, passive form, gerunds and present subjunctive
- indefinite adjectives and liaison words
- how to be convincing, defend your opinions and justify your point of view
- using a broader and more elaborate vocabulary
- understanding and facing complicated situations
- notions of cause and effect, contrast and comparison
- talking about yourself, expressing your feelings
